

Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., October 1, 1891.

The Superintendent, U. S. Mint,

Philadelphia, Pa.

Sir:

In a communication from our Minister to the Netherlands, addressed to the Department of State, he gives a description of three medals which he found, on a visit to the royal museum at the Hague, illustrating early events in our history.

The first medal commemorates the recognition of American Independence by the province of Friesland on February 26, 1782. The second medal was struck by order of the States General in commemoration of its recognition of the Independence of the United States. The third medal was made to commemorate the treaty of commerce and navigation entered into between the United States and the Netherlands October 7, 1782.

I beg to inquire whether specimens of the medals are contained in the mint collection, and if not, whether it would be advisable to have them forwarded to the mint.

Very respectfully,

Director.
